There is no change for the same reason that there is no real need for an actual 'plan', namely the fact that both parties are responsive not to the voters but to their major financial backers; and they know they can get away with this because they have colluded for more than a century to effectively squash any actual competition in our politics through the passing of restrictive ballot access laws for third parties and independents, the encouragement of media consolidation, which limits the debate to those

topics corporate-financed candidates are prepared to discuss, etc
