norvasc 5mg price philippines

amlodipine besylate 10 mg tablet

So my first one was, as we look at Lilly returning to growth and as cash flow starts to recover, can you just share some of your views on your products and potential divestitures of non-core assets? We have seen a number of players in the space that would consider looking at the divesting some of those businesses? Just thoughts from Lilly in terms of, if that's something that could be on the table?
