(A true transfer to a bona fide 3rd-party charity, not trying to shield them with a trust that also supplies you with income or anything of that sort.) Are you really saying that you think that I won't be able to get those assets, or at least part of them, from the charity? That's a textbook fraudulent transfer, and I'm pretty damn sure that I'd be able to go after the charity to get the assets that you transferred to them
